PA CATHOLIC CONFERENCE

Is asking for your help. This month the State Senate is considering legislation that would change state law to allow survivors of childhood sexual abuse from decades ago to file lawsuits against private institutions like the Catholic Church, parishes like this one, schools & ministries. This legislation will severely damage the ministries of the Catholic community in Pennsylvania. Public institutions, such as public schools, where the vast majority of abuse cases occur, would not face lawsuits from the past, under this law. Sexual abuse is a serious crime that affects every institution & community in Pennsylvania, public & private. Because of its gravity, it needs to be dealt with comprehensively & fairly going forward. To learn more about the legislation & to find out how to contact your State Senator about opposing it, contact www.pacatholic.org

FIFTEENTH ORDINARY SUNDAY

The Lord's basic law - love for God and love for neighbor - is written in our hearts.

While God is mysterious, the laws of God - and what the Lord wants of us - are easy to see and understand. For God has written His laws in our hearts, and has revealed to us who He is through Jesus. Our God also lets us know one of the easiest ways to please Him: loving Him with our whole being, and loving and serving our neighbor.
